

Expanding upon the Bronze and Silver packages, the **Gold Package offers strategic guidance and ongoing support for effective, real-time marketing progress.**

Package details:

Weekly check-ins

I offer weekly 30-minute check-in sessions with your marketing lead to maintain continuous alignment and address evolving needs promptly.

Weekly activity and progress review

I conduct a thorough weekly review of marketing activities and their alignment with the established plan. This ongoing assessment ensures that your strategies remain on track.

Priority assessment

I consistently reassess and adjust priorities based on real-time feedback and market dynamics, ensuring that your marketing efforts are always focused on the most critical areas.

Regular feedback

I provide regular, constructive feedback on ideas, actions required, and shifting priorities. This feedback loop promotes agility and adaptability in your marketing approach.

Objective-centric approach

My commitment to delivering a strong return on investment (ROI) remains unwavering. I keep the spotlight firmly on your objectives, ensuring that every marketing action directly contributes to your business's success.
